Coverage

What it does

- Policy inquiries
- Claims support
- Coverage information
- Customer assistance

Why Finn runs it

A grounded, sub-500ms voice agent with warm human handoff on intent. Every call is recorded, transcribed, and written back to your stack. SOC 2 Type II, HIPAA, GDPR, ISO 27001 — and you pay per minute of conversation, not per seat.

Works with your stack

Applied Epic, Salesforce, Zendesk, HubSpot.
