Coverage

What it does

- Emergency triage
- Visit scheduling
- Issue summary
- Tech ETA

Why Finn runs it

A grounded, sub-500ms voice agent with warm human handoff on intent. Every call is recorded, transcribed, and written back to your stack. SOC 2 Type II, HIPAA, GDPR, ISO 27001 — and you pay per minute of conversation, not per seat.

Works with your stack

ServiceTitan, Housecall Pro, Jobber, FieldEdge.
