Coverage

What it does

- Credit assessment
- Income verification
- Property evaluation
- Pre-qualification

Why Finn runs it

A grounded, sub-500ms voice agent with warm human handoff on intent. Every call is recorded, transcribed, and written back to your stack. SOC 2 Type II, HIPAA, GDPR, ISO 27001 — and you pay per minute of conversation, not per seat.

Works with your stack

Salesforce, HubSpot, Zoho CRM, Follow Up Boss.
