Coverage

## What it does

- Service selection
- Stylist preference
- Booking confirm
- Reschedule

## Why Finn runs it

A grounded, sub-500ms voice agent with warm human handoff on intent. Every call is recorded, transcribed, and written back to your stack. SOC 2 Type II, HIPAA, GDPR, ISO 27001 — and you pay per minute of conversation, not per seat.

## Works with your stack

Mindbody, Vagaro, Booksy, Square Appointments.
